RPAS Operator - Wildfire Scanning Crew Member Opportunity

Our Opportunity

Strategic Natural Resource Consultants Inc. is looking for a RPAS Operator Wildfire Scanning Crew Member to join an experienced drone program, focusing on wildfire operations in BC. This will be an exciting summer opportunity to support the leading team for fire scanning throughout the province. The successful applicants will be working with a company that promotes a strong safety culture, provides mentorship and professional development and thrives on a positive team dynamic that is world class.

Qualifications:

- » Experience with flying drones (licensed under the Transport Canada framework)
- » Flexible to deploy on a short notice to a fire zone, and dependable for sporadic callouts
- » Previous experience in a wildfire-related role is an asset
- » A positive team player who is enthusiastic about working in the outdoors
- » Comfortable liaising with Incident Commanders during the deployment period
- » GIS skills and experience are an asset
- » Current wildfire related training (e.g. S100)

We pride ourselves on maintaining a **safe, respectful and fun** work environment that promotes values such as teamwork, professional accountability, and work/life balance. All applicants must be enthusiastic workers and learners who thrive and excel in a team environment. Positive attitude and dedication to workplace safety are critical to your role with our team. StrategicUAV is SNRC's drone program, which was formed in 2015 and has operated nationally and internationally

We offer a competitive compensation package with comprehensive benefits for full-time employees.
